

An aerial photograph of a golf course at sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. The golf course is lush green with several sand traps and water hazards. The ocean is visible on the left side, with waves crashing against the shore. The sky is a mix of orange, yellow, and blue.

ANY COLOR COMBINATION

If you can imagine it, we can print it! Whether you need assistance selecting the perfect colors to complement your logo, or you already have a specific color in mind (HEX, RGB, CMYK), we can match it precisely. We can even adjust your logo's colors to suit your needs!*

ANY LAYOUT

Whether you want a border, numbers, text, or just your logo** on the flags, we can make it happen! If you have a custom graphic you'd like to feature, or you'd like to showcase your sponsors, we've got you covered. Need to promote a new feature or honor someone special? With Bayco Custom Golf Flags, the possibilities are endless!

UNLIMITED CHOICE - ONE PRICE

We offer a variety of custom golf flag sizes, with the 14"x20" and 6"x8" being the most popular. Choose from three shapes—rectangle, burgee, or pennant—and select either single-sided (SS) or double-sided (DS) printing. Our prices remain consistent across all flag types and sizes, regardless of colors or design layout. There are no setup fees for proofs, and you can request changes until you're completely satisfied! Get creative—the only limit is your imagination!

*Logos must be high resolution and be either a PDF or a vector file (.ai or .eps)
** Any graphics or logos must be obtained legally and have all the required permissions to be used in your custom flag design. Bayco Golf is not responsible for any lawsuit related to the distribution of illegally obtained content.

CALL 1 (877) 668-4653 OR YOUR NEAREST BAYCO DISTRIBUTOR TO ORDER YOURS TODAY.

Possibilities are endless!

SIMPLY - THE FINEST QUALITY CUSTOM GOLF COURSE FLAGS

Frequently Asked Questions:

WHAT IS DYE SUBLIMATION PRINTING?

Dye Sublimation is a printing process which reproduces graphics and images into various flexible and rigid substrates – in our case, fabric. Using a combination of high heat and pressure, solid dyes are absorbed directly into the fabric, creating many advantages over traditional screen-printed graphics.

HOW ARE OUR FLAGS MADE?

Once a design is approved, the graphic files are fitted onto a template using Illustrator. Those files are printed and then sublimated into the fabric. The fabric portion with dye is cut out and passed on to our sewing and finishing department. After finishing, the products are cleaned, checked and are packaged for shipping.

WHAT FORMAT SHOULD YOUR ARTWORK BE IN?

Please ensure that your artwork files are of good quality, preferably vector (.ai or .eps). Raster images, such as JPEG and PNG can be submitted but extra charges may apply should we need to re-draw them in a vector format. If you are unsure of what files you currently have, please contact us and we can assess them for you.

HOW LONG TO COMPLETE FLAGS?

Once we send you the proofs and they are approved by you, it typically takes 2-4 weeks for them to be printed (on a first come, first serve basis). Shipping (depending on location) can take additional 3-7 business days in North America. Please contact us for a more accurate timeline for your specific project.

WHAT FABRIC CHOICES DO YOU OFFER?

- **Poplin Flags** - Our poplin flags are great for heavy graphics and double sided flags because it uses an optional blocker to prevent see-through from front to back.
Note: It is the heaviest option especially if the blocker is added. This fabric needs wind to move.
- **Dura Flags** - Very stable fabric that is porous and allows wind to move through it. It has 95% transparency which makes it perfect for single sided flags.
- **Poly Silk Flutter** - This fabric is recommended for events as it flutters even in low breeze settings. It has 98% transparency and is very lightweight, perfect for single sided flags.

HOW IS VECTOR DIFFERENT THAN RASTER?

Simply put, raster images are created by pixels and their quality depends on the DPI (dots per inch) or PPI (pixels per inch). The lower the DPI, the more "pixelated" it looks. Raster image files include .jpeg, .png, and .tiff formats.

Vector images are made up of paths with mathematical formulas telling the path what color or shape it needs to be. Thus, vector images retain their appearance regardless of size and can be scaled infinitely. Although vector files are rarely used for photographs or paintings, they are perfect for designs such as logos and illustrations. Vector files include .ai, .eps, and .dmg formats.

WHAT CAN WE PRINT WITH DYE SUBLIMATION?

Bayco Golf has worked on a variety of custom projects for different events and purposes, ranging from tournament flags to memorials and anniversaries. We handle it all! Some of the services we offer include solid-colored flags, numbered flags, and argyle designs in any color. We can create flags in different shapes and sizes, including custom options, as well as tournament flags featuring special graphics. Additionally, we provide flags for sponsors and advertisements, memorial tournaments, and printed pictures or enlargements. We also offer Hole-In-One flags for framing and giveaways, banners, oversized flags, custom-sized country flags, and any combination of design and layout you require.

FLAG SIZES

- 1. Range Flags - 18" x 26"
- 2. Regulation Flags - 14" x 20"
- 3. Practice Greens Flags - 6" x 8"

BAYCO GOLF REFLECTIVE FLAGS

- Features:**
- A cost-effective alternative to conventional reflectors, offering a larger reflective surface area without the need for purchase additional lasers.
 - Each Bayco Reflective Flag includes 14 inches of reflective material along the entire side of the flag, ensuring maximum visibility from any angle and making it easier for golfers to spot the flag.
 - Durable and weather-resistant, these flags are designed to withstand the demands of the golf course, ensuring long-lasting performance and reliability.

Directional Stakes [No. 290XX-XX]
290STAKE COLOR-CAP COLOR
[e.g., For a white stake with a green cap, use 290WH-GR].

Made of recycled color impregnated plastic with stainless steel spike.
Speed slot - 5mm, drilled hole - 12mm

- Black Green Red
White Blue Yellow Brown

Recycled Plastic Rope Stakes [No. 289]

Length	Item Number
15"	289-15
18"	289-18
24"	289-24

BRAIDED ROPE

Made of durable polypropylene material, this braided rope is 1/4" in diameter, waterproof and resists rot, oil and other chemicals. Hollow braid is super flexible with a smooth diamond weave.

- White/Green Yellow Green White Black

Three Strand Braided Rope [No. 287]
Available length: 1000 ft spools

BUNGEE ROPE

Made of quality flexible material that maintains elasticity even in cold climates and prevents the pulling out of the stakes if encountered. The rope remains taut and will not sag.

- Yellow White/Green Green Black

Bungee Rope [No. 400]
Available lengths: 250 ft and 500 ft
250 ft spool [No. 400-250]
500 ft spool [No. 400-500]

PAINT AND MARKING TOOLS

No more bending, simply insert the turf paint in the wand, point towards the ground and start walking. The wheel on the bottom allows for smooth glide without stopping or jerking. Applying straight lines has never been easier!

Marking Wand [No. 268]

A handheld alternative to the marking wand. Makes marking easier and keeps hands clean of paint. Perfect for out of reach areas.

Marking Pistol [No. 269]

Mark hazards, out-of-bounds lines & grounds repairs with a bright and vivid, fast drying solution. A hole-in-one for coverage, value, and performance!

Rust-Oleum Precision Line Marking Paint [No. 271]

Sold in cases of 12. Other colors are available upon request.

WE GO THE DISTANCE

590'-765' RUST-OLEUM

129'-222' BRAND 1

279'-442' BRAND 2

436'-530' BRAND 3

Rust-Oleum Precision Line marking paint for easy-to-read, bright, vivid markings with no mess. Marks more linear feet than other brands.

HOLE CUTTERS

The hole cutters are primarily made of aluminum alloy, making them durable and strong but light. They each come with either scalloped or straight blade.

Wider hole cutter that cuts a 6" wide hole. Perfect for the Temporary Cup No. 256

Lever Style Hole Cutter

Scalloped [No. 222] Straight [No. 223]

Easy to use lever for a quick hole extraction.

Lever Style Hole Cutter

Straight [No. 224] Scalloped [No. 225]

A classic hole cutter with shoe platforms on either side and a fixated handle.

Wide Hole Cutter [No. 219]

A hole cutter for 6" wide temporary cup for special events.

REPLACEMENT BLADES

Heat treated cutting blades ensure a clean cut hole. Available as scalloped and straight blade with an inside edge (for sandy and USGA soil) or an outside edge (for push-up greens and native soil).

HOLE CUTTER ACCESSORIES

5. Hole Cutter Flanged Stop [No. 217]

Adjustable flanged stop ensures proper hole depth every time.

6. Red Hole Cutter Guide [No. 230]

Cast aluminum and powder coated, prevents scuffs and marks on the greens by the operator.

1. Inside Edge Scalloped Blade [No. 220-IN]

2. Outside Edge Scalloped Blade [No. 220-OUT]

3. Inside Edge Straight Blade [No. 221-IN]

4. Outside Edge Straight Blade [No. 221-OUT]

CUP PULLERS

1. Single Prong Cup Puller [No. 210]

Powder coated white with a red rubber handle for comfort. Size: approx. 6" Works on all cups.

2. Double Prong Cup Puller [No. 206]

Made of durable aluminum; Pinch and release, then pull out the cup. Size: approx. 8" Works on all cups.

3. Three Prong Cup Puller [No. 200]

Zinc plated steel with a red rubber handle; Place, twist and pull to remove the cup. Size: approx. 24" Works only on 250AL cups.

HOLE-IN-WHITE PAINT TOOLS

4. Aluminum Paint Tool [No. TL1]

5. Cup Protector* [No. CP1]

Easy to use guide to paint the top of the hole while protecting the grass around the upper edge and the cup from the spray of the paint.

*Cup protector available in every case of Hole-In-White paint. Sold separately if required, No. CP1.

Paint Applicator [No. 207]

Paint a perfect 1" depth circle above the cup while protecting the cup and grass around the hole, leaving a crisp, sharp edge.

No cup protector required.

TRIMMERS

Superior quality scissors, constructed from forged Stainless Steel. Comes complete with a dedicated plastic carry wallet. The curved design makes it easier to neaten the edges of freshly cut holes.

Curved Trimming Scissors [No. 211]

HOLE-IN-WHITE PAINT

Hole-In-White (White) [No. PT1]

Comes in a box of 12 cans (12 oz each)

Hole-in-white paint is a whitener specifically formulated to last a long time and is not harmful to the soil or turf. It makes the top of the hole bright and visible from afar, speeding up play time in the process. One spray can could yield up to 80 holes.

ALUMINUM CUPS

These cups are die cast oversize, then machined down to precise dimensions to minimize wobble in the hole. The aluminum cups are anodized then powder coated a bright white for best corrosion protection. Meets all USGA requirements.

PLASTIC CUPS

Made of durable, chemical resistant polymer material and meets all USGA regulations.

Bronze bushing made of certified bearing bronze withstands abrasion and prevents sticking, extending the life of your cup.

ALUMINUM PRO-HOLE CUPS

Pro Hole Cups are designed and finished to precise measurements, resulting in a world class greens cup. Completed with locking ferrule system that ensures unnecessary premature wear of the flag pole ferrule. Blank liner is included.

Aluminum Pro Hole Cup [No. 253AL-3]

This cup is made of durable heat treated aluminum alloy. Accepts British/locking [308LOC] ferrule to complete locking mechanism [pg. 37/38].

The standout feature of the 253AL-3 cup is its ability to print directly on the liner, making it an excellent option for special events and sponsorships.

CUP LINERS

SpeedWrap liners are thin, flat inserts that fit only in our pro hole cups. Fully customizable with a club logo or sponsor for increased revenue. The blank and specialized cup liners are in stock and ready for immediate shipping.

SpeedWrap Liners [No. 253]

Blank Cup Liner [No. 253L-4 or 253L-3]

Customize Your Liner [No. 253CUSTOM]
(Minimum order of 20)
Sold in two versions. Please contact us for custom liners and version inquiries.

CUP ACCESSORIES

Cast aluminum cup setter consistently places cups at the correct depth, minimizing damage to the rims of aluminum cups and preventing ball interference.
Aluminum Cup Setter [No. 205]

Cover the putting green holes with this easy to install and remove cover. Made of durable plastic, it withstands pressure and weight.
Green Plastic Cup Cover [No. 262GR]

The perfect solution to stabilize a golf cup and keep it from pulling out of the hole. These 5x5" square, dense plastic plates with a grooved slot fit all of our plastic and aluminum cups (4.25" or 6" height). Add super Glue (not included) in the groove and press bottom of the cup into the slot and let dry.
Golf Cup Stabilizer [No. 263]

CUP ACCESSORIES

WHITE PLASTIC CUP COLLAR

A white plastic cup ring makes the hole more visible and gives the same effect as hole paint without the labor and clean up. Easy to install and keeps integrity of cup when changing holes daily. This also stabilizes soil around the top of the hole which prevents erosion.

White Plastic Cup Collar [No. 251]
Individual [No. 251]
10 Pack [No. 251-10]
20 Pack [No. 251-20]

CUP SLEEVES

Cup sleeves are used in the installation of artificial putting greens. Made from PVC plastic and machined for a perfect fit! The cup will sit 1/8" above the sleeve when installed.

Cup Sleeves [No. 259]
For 6" Cup (Plastic or Aluminum) [No. 259-6]
For 4" Cup (Plastic or Aluminum) [No. 259-4]

REGULATION 1/2" FIBERGLASS POLES

Our fiberglass poles are manufactured to the highest quality and appearance for excellent corrosion and weather ability. They are veil wrapped to increase lifespan and reduce splinters from fiberglass material.

- Top threaded bushing
- Color impregnated - color does not peel or fade with time
- Complete with a smooth ferrule and an acorn nut (other ferrules available)
- Suits the swivel of a grommet and tube style flags
- Ships with a sleeve on the bushing and ferrule for additional protection

HARDWOOD TOURNAMENT FLAG POLES

Introducing our new 1" Brazilian IPE hardwood flagstick, known for its exceptional durability—eight times harder than California Redwood. Naturally resistant to rot and decay, this flagstick is built to last. To enhance its longevity, our IPE is treated with multiple coats of marine-grade varnish for added protection. *Only available in 7.5 Ft.

Ferrule Options:

Smooth Ferrule
[No. 308SMO]

Slotted Ferrule
[No. 308SLO]

Locking Ferrule
[No. 308LOC]

Fits only our
pro-hole cup
(253AL-3).

Hardwood Tournament Flag Pole
[No. 300TWOOD-75]

REFLECTORS

Easy to screw on top of any flag stick. Made with brass bushing to avoid premature wear of the threads. Sold individually.

Smarty Reflector - Six Eyed [No. 304-6BK]

Easy to screw on top of any flag stick. Made of specially formulated, soft polyurethane cylinder protects greens from flag swivel denting when dropped. Sold individually.

Elite Laser Reflector [No. 303-ELITE]

FLAGPOLE RESTORATION

An economical and easy way to re-new and protect splintered, cracked, faded, scratched, or dirty poles. Quickly applies with heat gun and will last for years. Fits tournament and regulation poles.

Bayco Guard for Flag Poles
250' Roll for 1/2" Pole [No. 3112]
250' Roll for 3/4" Pole [No. 3134]

Full 360° visibility, no dead spots, made of highly reflective material with a large surface area. Made for both 1/2" and 3/4" poles. Sold individually or in sets of 9.

Bayco Laser Reflectors
1/2" Opening [No. 3012]
Set of 9 [No. 3012-9]
1/4" Opening [No. 3034]
Set of 9 [No. 3034-9]

Make your own laser reflectors! Easy to install on your existing flag poles by heat shrinking the plastic provided on top of the reflector. It fits any pole of 1" or less in diameter. Sold only in sets of 9.

DIY Laser Reflector [No. 3000-9]

An easy to install ball lifter. Reduces bending and golfer-pole interaction. No need to remove the ferrule upon installation. 360° ball entrance with no interference. Fits regulation (1/2") and tournament (3/4") poles. All necessary hardware included.

Mully Cup Lifter [No. 319-01]

FLAGPOLE HOLDERS

Kit includes a holder, a Canadian or American 14x20" Regulation flag; an acorn nut and top bushing; and a 3' white regulation pole. No ferrule required. Flag pole holder mounts directly to your choice of surface (wall, ground or other).

Flag Pole Holder Kit - American [No. 345AMER]

Flag Pole Holder Kit - Canadian [No. 345CAN]

Flag pole holder mounts directly to your choice of surface. Holds 1/2" poles only.

Flag Pole Holder Only [No. 345]

Our Universal Flag Holder allows you to attach a flag to virtually any cart. It features a 2' white pole and either a 6x8" (DS) or 14x20" (SS) handicap flag.

Universal Flag Holder with Flag
6x8" Handicap Flag [No. 346HDCP-1]
14x20" Handicap Flag [No. 346HDCP-2]
6X8" Canadian Flag [No. 346CAN]
6X8" American Flag [346AMER]

Other flags can be attached, as well.

Would you like a different pole or flag? Purchase the holder only and/or the rod only separately. Please contact us for more information.

1. Rod Only [No. 346ROD]
2. Universal Holder Only [No. 346]

COCO DRAG MAT

Made of natural fiber that will not damage, burn, or bruise tender grass. The fibers offer superb broom action, making it perfect for top dressing and filling aerated holes. Complete with a tow bar and a chain for easy attachment.

Bayco Golf Coco Drag Mat
6' x 4' Coco Mat [No. 247-6x4]

Topdressing keeps the greens healthy by breaking up organic matter and allowing more decomposition.

BALL MARK REPAIR TOOL

New and improved ball mark repair tool. No moving parts, one solid piece of aluminum with six blades forces grass and roots into damaged areas. Cap included. Length: 36"

InstaFix Repair Tool [No. 227-36]

GREENS TOOLS

Removes dew and other light debris from greens. The tip (8') slides inside the handle (8') during storage and transportation.

Dew Whipping Pole
Complete Unit [No. 280]
Replacement Rod [No. 280-2A]

Made of extruded aluminum alloy with a V-shaped groove extending along its length and a milled base to reduce bounce as the ball makes contact with the green surface. Length: 36"

Bayco Golf Greens Speedmeter [No. 240]

- Tee Box Yardages
- Colored Dots (optional)
- Hand-Painted Hole Map

*Other sizes available.

SIZES*
15"x19"
18"x24"
24"x30"

STEP 3: Choose the color combination.

- GR | WH | GR
- GR | TAN | GR
- WH | GR | WH
- BR | WH | BR
- BK | WH | BK
- WH | BK | WH
- RE | WH | RE
- BL | WH | BL
- YE | BK | YE

STEP 4: Select your logo style.

The **inset method**, your design is reverse printed onto a protective shield, then embedded into the sign and sealed with clear resin.

The **engraved method** allows for the design to be 'sunk' into the base. Your design is precisely engraved into the sign base, leaving it blank. You may choose to have it filled with our special resin.

COURSE SIGNAGE

CAST IN MOLD BRONZE AND ALUMINUM GROUND TEE MARKERS

In-ground yardage markers properly mark the course which speeds up the pace of play. They come complete with two spikes to keep them in place. Available in bronze or aluminum.

Display your brands/logos or sponsors across the facility. These signs leave a long lasting impression. All you need to provide us with is the artwork of your chosen logo/sponsor and we will do the rest. Can't find what you're looking for? We can customize your project further! Call to inquire today!

LOLLIPOP TEE MARKERS

These Lollipop Tee Markers feature built-in mounting spikes, ensuring easy and durable installation. They can be customized in various colors and with your logo. Available in both 5" single-sided and 5" double-sided options, and offered in bronze or aluminum finishes. Please inquire for more details & pricing.

2 SPIKE TEE MARKERS

These tee markers come in a variety of shapes and can be customized in different colors with your logo. They are available in both bronze and aluminum. Please inquire for more details & pricing.

Available Shapes:

Available Sizes:
4"x6" & 5"x7"

Available Sizes:
6"x4" & 7"x5"

Available Sizes:
5" & 6"

RECYCLED PLASTIC EASELS

SIZE	CLOCK	YARDAGE
16"x24"	✓	✓
22"x32"		✓

Made from 1/2" recycled plastic material with resin filled flags. Easily display important information for your golfers such as the golf time or the daily yardage. Available as single or double sided. The design features an aluminum hinge mount for easy transportation, storage, and assembly.

SPONSOR SIGNAGE

A perfect way to recognize sponsors at your special events and tournaments, these signs are fully customizable, available in single-sided or double-sided options, with no limit to the number of logos per sign. Made from durable corrugated plastic, they are mounted securely with double ground spikes for easy installation and stability. Available in 24"x16". Please inquire for more details & pricing.

ACP CUSTOM SIGNAGE

This economically priced sign is made from durable aluminum composite panel (ACP) material, featuring two 0.30mm aluminum sheets bonded to a solid polyethylene core. The design is printed directly onto the surface and then sealed with a protective clear coat, ensuring longevity and quality. Our customizable signs are perfect for golf courses, offering unlimited options for colors and border styles to suit your needs.

*An 8ft black aluminum sign post with cap is also available—please inquire for more details & pricing.

- STEP 1:**
Select your preferred color combination for the sign. The options are unlimited—contact us for more details.
- STEP 2:**
Choose the style and size of your sign, with options for no border, single border, or double border.
- Available Sizes:
- 15"x19"
- 18"x24"
- 24"x30"
- *Custom sizes available upon request.*
- STEP 3:**
Choose a regular tee sign layout or collaborate with us to design a custom one. The options are limitless!
- *Artwork is required for logos.*

HEAVY DUTY SIGNAGE

Our Heavy Duty Metal Signs are produced from a single piece of 3mm metal with a powder coated finish. They come with single or double spikes and are available single or double sided. We have these signs with stock messages or we can design a custom message with your course logo. All messages are applied to signs using a pressure sensitive label, so the possibilities are virtually endless!

8"x6" Heavy Duty Steel Signs [No. 591]

Available stock messages:

Please Replace Divots
Carts This Way →
Carts This Way ←
No Carts Beyond This Point
Next Tee ←
Next Tee →

7"x12" Heavy Duty Steel Signs [No. 592]

Available stock messages (cont):

[add -03] Keep carts off apron
[add -06] Keep carts 30 ft from greens
[add -07] Drop Area
[add -08] Please Repair Ball Marks
[add -12]
[add -13]

*Simply add the extension number for the specific stock message. For example, "Drop Area" on an 8x6" would have an item number 591-17.

CUSTOMIZE YOUR OWN SIGN:

1. Choose your sign size (8x6" or 7x12")
 2. Select single or double sided:
- You may have the same message on both sides or different messages on either side.
 3. Design your decal. As long as it fits on the sign, anything can be printed. Please contact us for more information.
- Minimum order of 6.

Sprinkler Head Trimmer
Part No. 208
Page 61

SOIL SAMPLERS	59
AERATORS	60
SPRINKLER HEAD TRIMMERS	61
LANDSCAPERS & SQUEEGEES	61
OTHER MAINTENANCE TOOLS	62

SOIL SAMPLERS

Soil samplers allow core samples to be taken for evaluation of soil composition and root growth or for subsequent soil analysis. It also helps determine the need for aeration and to select the proper fertilizer for root development.

1. 8" Soil Sampler [No. 235-8]
One piece rugged stainless steel pipe.

2. 20" Soil Sampler [No. 235]
One piece rugged stainless steel pipe.

28" Greens Soil Sampler [No. 237]
Less intrusive, one piece rugged stainless steel pipe. Complete with a rubber handle for added comfort.

Greens Section Soil Sampler [No. 238]
This spade-like greens section soil sampler is tapered to give a clean cut and minimize surface disruption. The blade is then easily removed to examine the profile of the sample.

AERATORS

Made of heavy duty steel, these aerators are easy to use on those small and hard to reach spots on the greens that need immediate attention.

Three-Pronged Aerifier [No. 236]

Five-Pronged Aerifier [No. 239]

Fits our aerifiers. Sold in sets of three. Complete with holding pins.

Replacement Steel Tines [No. 236-1]

Why aeration is important?

Aeration is an essential practice that improves the long-term health and playability of golf courses. By using hollow tines to extract plugs, you can:

-  Ensure longevity of your course
-  Alleviate compaction
-  Remove layering

Long lasting benefits of aeration:

The following benefits can be observed when aeration is done seasonally and correctly:

-  Improves Water Infiltration
-  Oxygenates The Soil
-  Removes Thatch
-  Encourages Root Growth
-  Stimulates Microbial Activity
-  Promotes Recovery From Stress

SPRINKLER HEAD TRIMMERS

Sprinkler heads can easily become lost on the course and lead to negative impacts on the functionality of the irrigation system. These trimmers are easy to use and leave a clean edge around the sprinklers.

LANDSCAPERS AND SQUEEGEES

This aluminum landscape rake is used for ground raking, smoothing, leveling, spreading, seeding & leaf clean-up. The heavy duty brace is all one piece and is riveted to the rake head.

Aluminum Landscaper

Head Length	Stock Code
24"	114AL
36"	115AL
48"	116AL

A squeegee roller made of industrial grade stainless steel axle and efficient non-absorbent rubber roller; effectively rolls collected water. Replacement heads available while quantities last.

Non-Absorbent Roller Squeegee

Head Length	Stock Code
24"	130-24
36"	130-36
48"	130-48

OTHER MAINTENANCE TOOLS

Aluminum shaft with stainless steel grabbers that open to a 4.5" width. Capable of lifting up to 6 lb and sensitive enough to pick up a dime.

E-Z Reacher

- 32" Handle [No. EZR3200]
- 40" Handle [No. EZR4000]
- 72" Handle [No. EZR7200]

Light, heavy duty aluminum plug pusher will make cleaning up the golf course easy. It efficiently pushes plugs or moves and levels sand and loose material.

Aluminum Plug Pusher [No. 131]

Durable, dense polyethylene tank, easy to fill 4.25" opening, 28" wand, and chemically resistant seal. Capable of performing every spraying task.

ABOUT BAYCO

Our Name Stands for *Quality*

Bayco Golf started out unlike the typical business. The founder, Alex Colonelo, came from a mechanical toolmaker background. He started working at a company called Bay Bronze Industries which manufactured fuel fittings and plumbing parts as well as bronze signs and plaques. His passion for golf and his experience in manufacturing inspired him to start a golf course accessories division within Bay Bronze in 1986 (renamed to Colon Industries at this time). In 1998, he bought off the golf division and named the company Bayco Golf Inc where he became a president. He retired in 2006 when OSC Seeds purchased Bayco Golf and a new general manager, Cal Surgenor, was appointed. Cal has guided the continuing growing process of Bayco for over 15 years.

Bayco Golf has always strives to bring the best quality of products to the golf course accessory market. With our knowledgeable team and many years of experience, you can remove all uncertainty with anything related to your course. We build meaningful relationships with clients that last a lifetime. We pride ourselves that almost all of our products are manufactured locally in North America. We are a forward thinking, market improving company that has set the bar for numerous products, including Dye Sublimated Custom Flags, Pro Hole Cups with Liner and Locking Ferrule, ColorFlex Distance Markers, the Mully Cup Lifter, our newly designed InstaFix Ball Mark Repair Tool, and so much more.

The little train that could – did. We are one of the top manufacturers/suppliers in the world. We ship internationally in over 50 countries and our products are found on the most prestigious golf courses in the world. We design custom flags, markers, cup liners, plaques, signs and more! Our customers vary from a private individual who wants to build a small putting green in their back yard, to 36-hole resort golf courses around the world.

If you are looking for a reliable and knowledgeable staff to help you with your golf course accessory needs, look no further! Call us today and we would be happy to help you!

Get on course with **BAYCO!**

RETURN POLICY

Bayco Golf strives for complete customer satisfaction at all times, however, in the unlikely event you are not completely happy with your purchase you may request a refund. All refund requests must be made within 7 days of delivery date. Please include your invoice number and name when contacting us. All items must be in a new/unused condition, in original packaging, and with all paperwork, parts, and accessories. Once the merchandise has been received and passed a satisfactory inspection, a refund will be issued onto the original method of payment and in the original currency (less the outbound and inbound shipping fees, where applicable). All returned items are subject to a \$10 restocking fee.

Exchange of items is only accepted if the item is damaged or has manufacturer's defects (proof upon request is needed). In this case, Bayco Golf will cover the shipping costs. If the item cannot be repaired, we will replace the item and send it back to the Customer at our own expense.

Exception to items include:

- Clearance Items – these are discontinued items that we wish to sell out of. We regret to say that items purchased as "Clearance" are not eligible for returns or exchanges.
- Custom Items – Custom items cannot be resold and therefore we cannot accept returns on them. Please note that it is the **Customer's responsibility** to ensure clarity in communication and to approve provided proofs for custom work. However, if a mistake is made on our end, Bayco Golf will re-do and replace the merchandise at no expense to the customer.
- Any other item that cannot be re-sold, that includes but is

not limited to items in used condition that do not qualify for our warranty or items reduced due to damage or defect and marked as final sale.

We reserve the right to warn, limit or decline returns or exchanges regardless if the item answers to all the conditions mentioned above. Notwithstanding, we may change or modify the agreement in part or completely without notice and we will not be held responsible for any loss or damage suffered as a result of such changes.

WARRANTY

Bayco Golf warrants products to be free from defects in materials and workmanship under correct use and proper applications for a period of six (6) months or one golf season from the original date of purchase. Warranty requests must be made immediately upon finding a defect and proof must be provided. The suitability whether the merchandise satisfies the conditions of the warranty are determined entirely by Bayco Golf. After passing a satisfactory inspection and concluding that the damage falls under the warranty, Bayco Golf's obligations are limited to the repair or exchange of the item at no cost to the client. Should the merchandise not satisfy the conditions of the warranty, Bayco Golf reserves the right to refuse or otherwise limit the return/repair/exchange of the item. **The warranty does not cover damages due to negligence, improper use or maintenance, weather conditions, theft, or natural disasters.**
